

Strategic Plan

In May-2021 the Board of Directors of Central Carleton Nursing Home Inc. approved the Strategic Plan Goals for 2021-2025 to ensure that those responsible for the organization understand, and reflect in its operation the changing needs of the population they serve.

Strategic Plan 2021-2025 Goals:

- **Improving quality of life for residents-** The board is committed to ensuring that a high standard of care is provided to residents of CCNH.
- **Supporting staff development and human resource management-**The board recognizes the importance of involving staff in decisions that affect their personal and professional development.
- **Increasing investment in capital and equipment-**The board realizes that there will be an on-going need to invest in capital and equipment in order to maintain a safe and healthy environment for residents and staff.
- **Maintaining and improving financial management and accountability-**The board recognizes the need to continually strengthen its financial and administrative systems, including the use of technology to support sound financial management and increased efficiency.
